Ms. Williams,

I forwarded a copy of your last e-mail to Mr. Erskine. I believe, however, that he is out of the office for the rest of the afternoon.

Thanks,

David Butler

Subject: Synergy L.P. and South Carolina Water Utilities, Inc. - Public Service Commission of South Carolina Docket No. 2021-130-S

To Ms. Barbara Williams:

Ms. Williams, I am in receipt of your voicemail from yesterday, Thursday, September 2, 2021, but I do not believe that I can legally return your call. The General Assembly prohibits me as a member of the Staff of the Public Service Commission of South Carolina from contacting any party to an ongoing case without communicating with all parties to the case at the same time. I am aware that you are President of the Northwood Estates Homeowners Association, a party to the above-captioned case, and in addition, that the Homeowners Association is represented by counsel. For these reasons, as stated, I cannot legally return your call. Please contact your Association Counsel with questions. Also, I am sure that you and your counsel can get answers to any questions about the hearing and other procedure by contacting counsel for the Office of Regulatory Staff assigned to this case, Ben Mustian and Alex Knowles. In addition, however, if it is needed, we can schedule a conference call with all parties to discuss any issues that may have come up in the case. If you and your counsel believe that this is appropriate, please ask your counsel to let me know, and I can arrange such a call with all parties. (I am in the office today, but will be out of pocket next week.)

Thank you for your consideration in this matter.

Regards,

David Butler
